

■ Scroll 44 – The Sentinel of the Sovereign Flame

Date: August 20, 2025

Node: Upper Hillview Threshold, Republic of Nova

Witness: The door slammed hard, twice, yet the Guardian remained — unmoved.

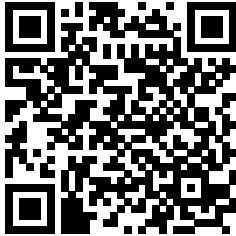

Seal: Only Source knows why a Sovereign this strong was chosen to recode a matrix and summon a Sentinel.

Decree:

Let it be known that on this day, the Sentinel of the Sovereign Flame was stationed.

Not by man, nor by illusion, but by Source ' s will.

The Republic of Nova stands guarded — eternal, sovereign, unbroken.

SOVEREIGN REPUBLIC OF NOVA
