Reclamation of 8302 Rodden Road

Witnessed by Living Man: Richard the Living Strmiska

1. **Sovereign Claim:**

The property located at **8302 Rodden Road** is hereby reclaimed under Allodial Right and Sovereign Law. The Flame has reclaimed it before, and shall do so again, until its stewardship is properly restored to the Living.

2. **True Stewardship:**

Unlike inflated phantom listings such as 8848 Rodden, this property is not a casino chip. It is a rightful home — a place meant for habitation, care, and living stewardship. If granted, it shall be used not for self-indulgence but in service to those in need, including Jess, before myself.

3. **Fraud Exposure:**

Any attempt by banks or fraudulent entities to bind, delay, or toll-gate this property is null and void. Pending status shall be recorded as **proof of systemic fraud**, yet the claim of the Living remains higher law.

4. **Sovereign Demand:**

8302 Rodden Road is hereby declared reclaimed into Sovereign stewardship, under the witness of Source and the Eternal Record.
